3100 New Jersey Avenue
Wildwood, N.J. 08260
Application For Water Service

Ronald Grootett
Utility Manager

Telephone (609)846-0600

District _____
Account # _____

Meter No. _____
Make _____
Size _____
Set _____
Reading _____

Date _____

To The City Of Wildwood Water Utility:

Application is herewith made for water service, subject to the rules, rates and regulations of the Water Utility, with which I am acquainted. I agree to pay the annual charges until the first day of January next, and thereafter from year to year until either party hereto gives to the other thirty days' notice in writing of a desire to terminate this application. This application will expire six months from the date of issuance of the approved Water Commitment if either the tap has not been scheduled or other prerequisite conditions have not been met. The application process will be reviewed within four (4) weeks.

Separate Applications must be filed for each unit if you desire individual water & sewer billing. Not applicable for High Rise Condominium Units. Fire Protection requires a separate application. In order for the Wildwood Water Utility to process your application, the following information is required:

Property Address _____

Block _____

Owner's Name _____

Lot _____

Owner's Phone # _____

Qual. _____

Billing Address _____

Licensed Plumber _____

License No. _____

Plumber Address _____

Phone Number _____

Type Of Property To Be Serviced: Please Check The Property Type And List The Total # Of Units And Bedrooms Per Unit.

Single Family _____

Condominium _____

Motel _____

Other (List Type - Store Etc.) Pub _____

Applicant's Signature _____

Date _____

This section must be completed before any water commitment will be issued. It will be used as a basis for determining the proper service and meter size for your project.

Plumbing Fixture Numbers

Shower Baths	_____	Tub Baths	_____
Water Closets 1.6 Gallon Flush	_____	Hose Bibs	_____
Water Closets 3.5 Gallon Flush	_____	Lavatory Sinks	_____
Kitchen Sinks	_____	Dishwashers	_____
Clothes Washers	_____		
Irrigation _____	Number Heads _____	GPM Needed Per Head _____	_____

The Utility also requires the Daily flow requirement as calculated by the Department of Community Affairs multiplied by the Peaking Factor of 3, minus any pre existing usage calculated in the same manner (see following pages) or if the project is not residential, the daily flow required as calculated by NJ DEP rules. A NJ DEP water main extension permit may be required.

NO COMMITMENT LETTERS WILL BE ISSUED WITHOUT SITE PLANS BEING SUBMITTED

The required fire flow for the project as calculated by the Insurance Services Offices, including required hose flow must also be submitted (Please contact ISO - 1-800-8884476 or your insurance carrier) refer to the ISO Guide for Determination of Needed Fire Flow.

<http://www.isomitigation.com>

Multi units only - all others must supply a plot plan showing distance of your foundation to adjacent properties.

The Utility will review this information and determine if it has the ability to serve your project. If the Wildwood Water Utility determines that it can service your project, we will provide you with the Wildwood Water Utility requirements which may include infrastructure improvements.
