Owner's authorization

After the meter is removed a final bill will be generated for any monies owed to the Wildwood Water / Sewer Utility. If the property is located within the municipal boundaries of the City of Wildwood, sewer charges will also be included for the next year, based on the current years' water consumption and sewer rates. These monies must be remitted in full BEFORE a demolition letter will be issued.

Any other questions or concerns may be directed to Mr. John Malinowski at the above listed phone number and address.
