UNFINISHED BUSINESS:

- A. Press Box - It's been a slow process, but progress is being made on the press box. Siding has been purchased. The volunteers are first cleaning up the outside to make it presentable, and then will work on inside improvements.

- B. Maxwell Field
 - 1. Playground - The exercise equipment has been moved out, but the playground equipment is still in place. None of the holes where the equipment stood have been filled in, so Mr. Hans will put in topsoil and seed the area. He plans to turn it into a soccer field so the local kids can play there instead of on the official field.

Wildwood Recreation Center – Greater Wildwood Little League

The Greater Wildwood Little League will have their monthly meeting here tomorrow, Wednesday, March 18th from 6:30pm-7:30pm at the Byrne Community Center.

Little League Opening Day will be Saturday, April 18th from 11:30am – 12:30pm

Old Press Box:

Press Box is coming along. They've got all the windows in and are starting to work on the siding for the building. Only working weekends around other jobs so tough to get it done quick. Back of building on Park Blvd side is at least done and isn't an eye sore anymore.

One Call System is up and running.

One Call System has been great. Very good purchase for the Recreation Department and the staff here at the community center. Very easy to use and definitely user friendly.

The Public works department came and took out the exercise equipment from the back of the rec center but for some reason left all the playground equipment. We need to fill the holes from the old exercise equipment.
