

- A. Fox Park Playground - The Playground is in bad shape. The rock wall is missing pieces and there are holes in the ground. The Board asked that if, in the summer, when there is an attendant at the playground, would he be able to make some routine maintenance. The answer is no due to union issues. Another complaint received was in reference to there not being enough benches to sit on. This in of itself is an issue as it encourages loitering. The park is locked up at night. The Board requested the Secretary review if any Purchase Orders were issued for work at Fox Park.

REPORTS, RECOMMENDATIONS & COMMENTS:

Playground behind Byrne Community Center

We still need to get the Public Works Department over here to get rid of the playground equipment. I don't know if we need to follow up with another commissioner's recommendation or Board memo to Public Works. We also need some fill to fill the huge holes that were left from just pulling the exercise equipment out.

Bill List – Money needed for approval (purchases)

See Attached (Dynamic Fitness Bill \$3,378.00) New Treadmill – People have been asking for a new treadmill because the fitness room needed one. This company also does all of our parts and service replacements/fixes.
